Staybridge Suites is an extended-stay hotel for guests staying away for days, weeks or even months at a time, who are seeking an alternative to a conventional hotel. Whether relocating to the area, on a long-term project or an extended business trip, Staybridge Suites' unique mix of domestic environment and hotel services lets guests live life their way.

Our contemporary studio and one-bedroom apartment-style accommodation offers a fully equipped kitchen in every suite. Other key features include:

- free WiFi broadband access throughout the hotel
- an exercise room to burn off the stresses of the day
- a hub kitchen, where free breakfast is served every day
- after work reception with free drinks and snacks for all guests – a great opportunity for guests to unwind
- a guest laundry room perfect for washing socks and smalls
- the pantry 24/7 shop, where guest can buy essentials from food and drink to any forgotten toiletries
- our guest services team there to welcome you home 24/7
